In the Matter of:

AFFILIATE AGREEMENTS RELATED TO THE)	2021-00421
MITCHELL GENERATING STATION)	

ORDER

On February 15, 2022, Kentucky Power Company (Kentucky Power) filed a motion requesting witnesses Deryle Brett Mattison, Stephan Haynes, Alex Vaughan, Jason Cash, Allyson Keaton, and Timothy Kerns be permitted to participate virtually at the hearing scheduled for March 1, 2022, through March 3, 2022. Kentucky Power also requested attorneys Christen Blend, John Crespo, and Hector Garcia Santana be permitted to participate virtually at the hearing. Kentucky Power noted witness Brian West and attorneys Mark Overstreet and Katie Glass would be present in person at the hearing. Kentucky Power explained that all witnesses and attorneys that requested to participate virtually are out of state and the ongoing COVID-19 pandemic presents travel difficulties. Kentucky Power asserted that virtual participation of these witnesses and attorneys would not prejudice the Commission or any other parties.

Based upon the motion and being otherwise sufficiently advised, the Commission finds that Kentucky Power established good cause to grant the motion to allow witnesses and counsel participate virtually in the March 1, 2022, through March 3, 2022 hearing in light of the COVID-19 related concerns raised in the motion. The Commission finds that all Kentucky Power witnesses participating virtually shall participate in separate rooms on

separate devices to promote a higher quality sound and audio for the hearing than if the witnesses are in the same room using the same device.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's motion for witnesses and counsel to participate virtually in the March 1, 2022 hearing is granted.

2. Kentucky Power witnesses and counsel that appear virtually shall participate from separate rooms and be on separate devices.

3. Commission Staff shall contact participants with instructions for participating remotely.
